

This Service & Information Manual contains material that is vital to the successful planning, marketing and management of your display in the **2026 Quad City Regional Auto Show**. Failure to read this manual and respond promptly in ordering services could result in higher rates.

The services and contractors listed in this manual are for your convenience. Show management suggests that you employ the services of Beachview Productions, this show's official general contractor, for your greatest efficiency and ease since they are most familiar with the show and its work schedule. All independent contractors must coordinate their work schedules with Beachview Productions and comply with all Beachview Productions' guidelines and insurance requirements.

Please note that insurance policies must provide coverage for all dates from move-in through move-out (Tuesday, Mar. 3 – Monday, Mar. 9) and all required information and additional insureds as listed in the Important Rules & Requirements section of this manual. Please refer to the sample insurance form enclosed, as all insurance policies must be completed correctly. All exhibit set up contractors must submit a correct and complete policy at least twenty (20) days prior to the first move in day of the show or they will not be permitted to work at Bend XPO.

The most up-to-date exhibitor information, including floor plans, can be downloaded at [www.quadcityautoshow.com](http://www.quadcityautoshow.com).

It is important that you review this manual with those persons or agents having responsibility for your participation in the show. Show management thanks you for your cooperation and we wish you a most successful 2026 Quad City Regional Auto Show!
