

This Service & Information Manual contains material that is vital to the successful planning, marketing and management of your display in the *2020 Quad City Regional Auto Show*. All production services are managed by MotorTrend Group, LLC.

The services and contractors listed in this manual are for your convenience. Show management suggests that you employ the services of Event Management Unlimited (EMU), this show's official general contractor, for your greatest efficiency and ease since they are most familiar with the show and its work schedule. Please refer to the sample insurance form enclosed, as all insurance policies must be completed correctly. Important Rules & Requirements

Aisles for Emergency Purposes

The Fire Department requires that we maintain six foot (6') fire exit lanes through the exhibits located in the Great Hall, and a six foot (6') connector aisle at each end of the Great Hall. These are noted on the show floorplan, so please plan your layout accordingly. In addition, all exhibitors must leave two feet (2') of space on any border of their exhibit that adjoins another display area. This will allow a four-foot (4') emergency aisle running between each space.

Fire Regulations

Exhibitors must comply with all federal, state, and local fire codes which apply to places of public assembly, in particular, Chapters 5, 8, and 31 of the Life Safety Code. All curtains, buntings, draping, etc., of any kind must be flameproof. Special care should be taken not to block or obstruct any fire hose or fire extinguisher cabinets, fire pull boxes, or entrances and exits within The RiverCenter.

Alcoholic Beverages & Food Items

Alcoholic beverages and/or outside food may not be brought into The RiverCenter.

Vehicle Sales

No vehicle sales may be contracted at the show. Vehicles may not have dealer stickers. Only factory Monroney stickers are permitted. No discussions may take place with show visitors regarding prices of vehicles. There are absolutely no exceptions to this rule. **The auto show is for exhibition only.**

Vehicle Requirements

Under no circumstances can display vehicles be placed in front of any fire exits or public entrance doors. Special attention should be given to keeping public doors free of obstruction by any show vehicles or displays. The same holds true for the construction of staging, walls, turntables, signs, etc. **A three-foot (3') gap between each & every vehicle is required by the Fire Marshal for handicap access & fire lane.**

Battery Cable - All show vehicles must have battery cables disconnected and taped using UL approved plastic electrical tape.

Gas Tank Level - The gas level cannot exceed 1/4 tank. All vehicles will be checked as they enter the exhibit hall to make sure that the gas level requirement is correct. If the gas level exceeds 1/4 tank, the vehicle will not be permitted to enter the building.

Important Rules & Requirements (continued)

Vehicle Requirements (cont.)

Gas Cap Requirements - If the gas cap door can be opened from outside your vehicle, the vehicle must have a locking gas cap. If the gas cap door must be unlocked from inside your car, then a locking gas cap is not necessary but the standard inside gas cap must be taped around cap edge to prevent gas vapor leaks.

AC/DC Converters - Cars using AC/DC converters must have the security system fuse disconnected to prevent the public from setting off vehicle alarms.

NOTE: *A Fire Marshal will be on duty throughout all public hours of the entire show and will be doing constant checks to see the above regulations are enforced.*

NO INDIVIDUAL DEALER SIGNAGE IS ALLOWED ON ANY VEHICLE DURING THE SHOW. THIS INCLUDES TRUNK TAGS, TRUNK STICKERS, PLATE HOLDERS, LICENSE PLATE OR ANY OTHER PROMOTIONAL IDENTIFICATION. ALL INCENTIVES, REBATES OR OTHER PROMOTIONAL PRICING TIED TO THE AUTO SHOW MUST BE SUPPORTED NATIONALLY OR REGIONALLY, AND CANNOT BE PROMOTED BY AN INDIVIDUAL DEALER.

Vehicle Access & Cleaning - All show vehicles, except factory display models must be unlocked during public show hours. All vehicles must be waxed or wiped daily.

The Auto Show Committee and/or Show Management will inspect each display area to see that this service is provided, with the cleaning charges being sent to the exhibitor whose vehicles have been neglected.

Exhibit Blueprints

All vehicle exhibitors participating in the 2019 Quad City Regional Auto Show must provide a to-scale electrical blueprint of their display to Motor Trend Auto Shows, LLC and The RiverCenter, by January 8. These blueprints will be used by the center to place electric and telecom lines prior to carpet installation. **Please be sure to include telecom placement, electrical needs, and the height of your display properties on your blueprints.** MTAS blueprints can be sent in DWG or PDF format to Derek Walsh at Derek_Walsh@motortrend.com.

Signs & Banners

Any hanging signs must be framed and pre-approved by show management. Truss lighting is permitted. EVENT MANAGEMENT UNLIMITED has jurisdiction on all installation/dismantle work.

Important Rules & Requirements (continued)

Signs & Banners

All signs must be professionally manufactured and have a finished surface on all edges and sides. Plastic letters, shoe polish and homemade signs may not be used on any vehicles or in any area of your display or booth. Decorations, signs, banners, etc., may not be taped, tacked, stapled or otherwise fastened to ceilings, walls, doors, painted surfaces or columns.

Signs cannot block the view of other exhibitors. In the case of a complaint, the decision on whether a sign remains or must be relocated will be made by the Auto Show Committee and Motor Trend Auto Shows, LLC.

Display Placement

The maximum permissible height for displays is twenty-four feet (24'), except where noted on the floor plan.

Placement of exhibits cannot interfere, block or extend into other exhibits. An exhibitor could be asked to change the location or configuration of their exhibit or vehicle placement should they interfere with the rights of other exhibitors.

All exhibits must be free standing as no supporting wires from the ceiling or walls will be permitted.

Exhibitor Presentation Restrictions

An exhibitor cannot sell or distribute literature from any area other than the space rented by the exhibitor. Sales presentations, distribution of literature, and public surveys are strictly forbidden from being conducted in public aisles, other exhibit spaces, or any other public areas of the RiverCenter.

All public address systems must be kept to a volume that is not disruptive to your neighboring exhibitors.
